

Acknowledgments

We, the editors, should like to thank, first, Gareth Schmeling and the editorial board of *Ancient Narrative* for accepting the proposal for this volume and for their encouragement, and Roelf Barkhuis for his expert and efficient work in ensuring that the process of publication was as smooth and speedy as possible. Second, we should like to thank the contributors, whose enthusiasm and care made the job of compiling and editing this volume a pleasure. Finally, it is with gratitude that we acknowledge the financial assistance of the College of Arts and Humanities at Swansea University and of the Universities in Wales Institute of Classics and Ancient History, by which the publication of this book was made possible.
